

## **Opening CASA Forms with an Apple Computer**

Make sure your Google Chrome browser and Adobe Reader ([www.adobe.com/reader](http://www.adobe.com/reader)) are up to date.

Open Google Chrome web browser  
Go to the CASA website ([www.casakids.net](http://www.casakids.net))  
Click on 'Reporting Forms' tab on the Home page  
Click on the document/form you want to complete  
It will open in a new tab/window  
At the bottom right corner you can Save it  
It should open normally after that from the new location

Alternative method:  
Open Google Chrome  
Go to CASA website  
Right click on "Save link as"  
Open from new location
