

CASA

Storyboard

We know that one of the very best tools for getting new CASA volunteers is for them to hear real-life stories of what CASA volunteers actually do and how they help kids. We understand that you don't have time to write up stories about your cases, but we do! If you think something on one of your cases is, interesting, funny, transformational, or amazing (past or present), just fill out the form below and we'll call you, get the story from you, and write it up. We won't use real names, of course, but by sharing your experience, you may touch the heart of a reader who will decide to become a CASA volunteer. That means another child will be lucky enough to be assigned a CASA volunteer. Right now half of the children in the system don't have a CASA- you can help us help them!
